## **ARTICLE II Membership**

### **Section 1. Eligibility.**

All persons (a) who subscribe to the purpose of the Club, (b) who are in good standing with the American Kennel Club, (c) who are in good standing with the Golden Retriever Club of America, if a member of such organization, (d) who have indicated a willingness to serve the Club in some capacity such as committee member, steward, trophy donor, etc., (e) who shall not have been nor presently engaged in the buying and selling of dogs for resale, and (f) and who has not and does not sell puppies in litter lots, are eligible for membership. While membership is to be unrestricted as to residence, the Club's primary purpose is to be representative of breeders and exhibitors in its immediate area.

### **Section 2. Types of Membership.**

There shall be three (3) types of members: (a) honorary members, (b) voting members, and (c) junior members. Voting members shall either be designated as a family membership or as an individual membership. Voting members remain members until their membership is terminated by resignation, expulsion, termination, or reclassification as set forth in these bylaws.

- A. Honorary members shall be those persons recommended by either the Board of Directors or any voting member, and confirmed by unanimous vote of the membership at any regular or special meeting who are honored for their service to the club. Honorary members shall have all the rights and privileges of voting membership except for the right to vote or hold office, and the obligation to pay annual dues. Membership is perpetual so long as (a) the honorary member's membership is not terminated as set forth in these bylaws by resignation or termination, and (b) the honorary member remains eligible for membership under the provisions of these bylaws.
- B. Voting members (whether family or individual) shall be those members in good standing over the age of eighteen years. Voting members are divided into two classes:
- (1) Individual memberships, which retain the privilege of one (1) vote each. Persons over the age of 18 may apply for individual membership. Such membership carries one vote. An individual membership may be converted at any time to a Family membership upon written notice to the Corresponding/Membership Secretary and payment of any appropriate additional dues; and
  - (2) Family memberships, which retain the privilege of two (2) votes each, provided each vote is made by separate family members as designated on their membership application as the voting members for the family. Family Members must be over the age of 18 years to vote. The presence at a Club meeting of one (1) person from a

family membership or from a family application shall be considered as the presence of that entire family for the purposes of attendance records-for determining trophies qualifications, and for fulfilling participation requirements.

Bona Fide partners may apply for family membership for themselves, which includes their other family members over the age of 10 and under the age of 18. Such membership will retain the privilege of a maximum of two votes. The names of the voting members MUST be clearly included on the application and they MUST be persons over the age of 18. Family members under the age of 18 will be accorded the status of Non-voting members. Either of the two original voting members of a family membership (who were over the age of 18 and clearly included on the original application), may convert at any time to individual membership upon written notice to the Corresponding/Membership Secretary and payment of any appropriate additional dues.

Other Family Members who attain the age of 18 shall cease to be included in such membership on their 18<sup>th</sup> Birthday, at which time they may submit an application for either individual or family membership in their own right. Such applications shall follow normal application procedure, except that where the individual has already attended two or more meetings in the current year, the meeting requirement has been met, and their application will be voted on at the first membership meeting, at which there is a quorum, subsequent to the application.

- C. Junior members shall be those members under the age of eighteen years and over the age of 10 years who have made separate application to become a Junior Member. Junior membership shall have all the rights and privileges of voting membership except for the right to hold office or vote. Junior membership will automatically convert to an individual membership upon the junior's 18<sup>th</sup> birthday, which conversion shall continue for the remainder of that fiscal year. At the termination of such fiscal year, the former junior member shall designate either a family or individual membership to the Membership Chair and pay the applicable dues when due.
- D. Family members between the ages of 10 and 18 may apply to become Junior Members in their own right at any time. Such application shall follow normal application procedures, except where the individual has already attended two or more meetings in the current year, the meeting requirement has been met, and their application voted on at the first membership meetings.

### **Section 3. Non Members**

There shall be two classes of non-members of the Club: (a) applicants, and (b) Non-voting members. Such non-members shall not have the privileges of membership other than to attend meetings and to receive the newsletter and other club publications.

- A. Applicants are those individuals or families that apply for membership to the Club.
  - (1) Each applicant shall submit an application for membership via an approved Club form. The application form shall include the following provisions: (a) an agreement

by the applicant to comply with the Constitution and Bylaws of DFWMGRC, and (b) an endorsement of one (1) voting member in good standing or endorsement of two (2) references, preferably dog-related, i.e., veterinarian, breeder, trainer, or the like. Accompanying the application, the prospective member shall submit an application fee for the current year as set forth in Section 4 of these Bylaws.

- (2) All applications are to be filed with the Corresponding Secretary. Each application is to be read at the first meeting of the Club following its receipt.
- (3) Applicants are required to attend two (2) meetings OR attend one (1) meeting and work one (1) event prior to being considered for membership. (See Standing Rules - Trophies and Awards, I.E. for definition of working an event.) Upon fulfilling this requirement, the applicant will be voted on at the next business meeting the applicant attends. A 15% quorum is required to elect the applicant to voting membership or junior membership, as may be applicable. Affirmative votes of three-fourths (3/4) of the members present and voting shall be required to elect that applicant. In order to be given credit for attending a meeting, the person must be personally present during the majority of the business portion of a meeting.
- (4) An application is deemed valid for twelve (12) months after it is received, but any application may be renewed for consecutive additional twelve (12) month periods by the payment by the applicant of the appropriate application fee prior to the expiration date of the application to the Corresponding Secretary/Membership Chairman.
- (5) Applicants for membership who have been rejected by the Club may not reapply within six (6) months after such rejection.

B. Non-voting members are those persons, families or entities that support the Club by the annual payment of dues or any amount in excess thereof but who are not members or applicants pursuant to these Bylaws. Members classified as Voting Members who do not participate in club activities (i.e., attend meetings, work club events, chair committees, etc.) for a period of eighteen months will be considered to have withdrawn their active/voting membership and will be classified as a Non-voting-member as long as they continue to pay annual dues.\* Non-voting members are not allowed to vote, hold office or earn club trophies and will not be counted when calculating a quorum. Membership status will be reviewed in January and July of each year by the Board to determine voting members whose status will be reclassified to non-voting-member. Non-voting members may not claim club membership in any way including, but not limited to, on websites, in correspondence, in conversation, in social media or otherwise. Non-voting members who attend a meeting or work a club event (as defined herein), may request to be reclassified as a voting member upon written request to the Board. A majority vote of the Board is required to grant the request for reclassification.

\* Special exception may be made to the participation requirement by majority vote of the Board due to extenuating circumstances upon written request by a voting member to explain their non-participation.

**Section 4. Dues.**

Dues will be assessed for family, individual and junior memberships. The amount of dues will be recommended each year during the November meeting by the Board of Directors for the following fiscal year (January 1<sup>st</sup> – December 31<sup>st</sup>), and shall be approved by majority vote of the voting members at such meeting provided a quorum is present.

The November newsletter will state that the dues for the following year will be voted upon at the November meeting.

Dues are to be payable on the 1<sup>st</sup> day of January of each year and are due and payable to the Corresponding Secretary on or before January 1 of each year. Dues shall be deemed delinquent on February 1 of each year.

An applicant shall submit an application fee equal to one-year's dues with his or her application and if such applicant is voted into membership after September 15 of any year, that applicant shall not owe dues until January of the following fiscal year. Upon acceptance as a member the application fee converts to dues for the remainder of the fiscal year.

The newsletters for November, December and January will notice annual dues requirements. The Corresponding Secretary shall send written delinquent notices by first class mail and/or email to the email address on file with the club, if any, to any voting members who have not paid their annual dues by February 1 of any year.

If delinquent dues are not paid by February 1 of any year, the Corresponding Secretary will send, by first class mail and/or email to the email address on file with the club, if any, by February 15, written notice to the delinquent member that his or her membership will lapse as of March 1, and that they may apply for a meritorious extension to the Board as set forth in Article II, Section 6 of these Bylaws.

**Section 5. Members in Good Standing.**

A "member in good standing" is a voting member whose dues and other financial obligations have been paid for the current fiscal year, whose membership has not lapsed, been suspended, or terminated as provided for in these bylaws, who is not suspended from the privileges of the Club, or who has not been placed in not-in-good-standing status in accordance with these bylaws.

Any voting member who initiates legal action against the Club and/or any member(s) thereof for Club-related matters shall be deemed a member not in good standing on the date on which papers are served on the Club or member(s). Said voting member's good-standing status may be restored after the court proceedings are concluded upon a vote of the membership present at a membership meeting at which a quorum is present. Affirmative votes of three-fourths (3/4) of the members present and voting at the meeting shall be required to restore the member's good-standing status.

**Section 6. Termination of Membership.**

Voting Memberships may be terminated by:

- A. Resignation. Any voting member in good standing may resign from the Club upon written notice to the Corresponding Secretary. Resignation of membership does not absolve the Individual from any financial obligation owed to the Club at the time of resignation. Upon

resignation, a membership cannot be reinstated without application as a new member as provided in the bylaws.

- B. **Lapsing.** A voting membership will be considered as lapsed and automatically terminated if such voting member's dues remain unpaid as of March 1 of any year; however, the Board may grant an additional ninety (90) days of grace from March 1 to such delinquent members in meritorious cases upon written request and the vote by the majority vote of the Board. The Corresponding Secretary will send out written notices by First Class Mail and/or email to the email address on file with the club, if any, by March 15 of each year to each former member whose membership has lapsed. In no case may any member be entitled to vote at any Club meeting whose dues are due but unpaid as of the date of that meeting. Once lapsed, a membership cannot be reinstated without application as a new member as provided in these Bylaws.
- C. **Expulsion.** A voting membership may be terminated by expulsion as provided in Article VII of these Bylaws. Notice of expulsion including the date of expulsion shall be sent by the Corresponding Section by First Class Mail and/or email to the email address on file with the club, if any, to the expelled member(s) setting forth the findings of the membership. If the Board agrees by majority vote that the charges do not allege conduct which would be prejudicial to the best interests of the Club or the Breed, it shall refuse to entertain jurisdiction, and a notice of such shall be sent to the member preferring the charges, and the matter shall be considered closed. If the Board agrees by majority vote to entertain jurisdiction of the charge, it shall fix a date of a hearing by the Board not less than three (3) weeks nor more than six (6) weeks thereafter. - C. **Suspension.** Suspension of the accused from all privileges of the Club for a period of time deemed appropriate by the Board following the date of the hearing.
- D. **Expulsion.** The Board may recommend to the membership that the penalty be expulsion. Expulsion of a member from the Club may be accomplished only at a meeting of the Club

following a Board hearing and upon the Board's recommendation as provided this Article. Such proceedings may occur at a regular or special meeting of the Club to be held within sixty (60) days but not earlier than thirty (30) days after the date of the Board's recommendation of expulsion. Field/Obedience Memorial Trophy  
(Donated by Terry and Ronna Combs)**

This trophy is awarded annually to the Golden Retriever owned or co-owned and handled by a member of the DFWMGRC, which has demonstrated both the exceptional trainability of the Golden Retriever and its natural ability in the field. Licensed AKC or UKC obedience trials and licensed AKC, NAHRA, UKC or GRCA hunting tests will be utilized to calculate points on a trophy year basis. AKC records, marked catalogs, or similar certification information must be submitted to the satisfaction of the statistics committee.

To be eligible for this trophy, a dog must meet at least the following criteria:

1. Have earned an AKC CDX in obedience AND either a Junior Hunter title OR a WCX  
OR

Dogs that have earned higher titles in field (i.e., a Master Hunter title) or that have placed or jammed in any licensed AKC field trial will automatically be considered to have met the field requirements of either criteria #1 or #2 above.

Once a dog has met the above minimum requirements, to be eligible for the trophy the dog must earn points in BOTH field and obedience competition in any trophy year.
