All Breed Echocardiogram Clinic- Dr. Sonya Gordon is offering to do an echocardiogram clinic. This exam is generally offered only at Texas A&M for those dogs that do not pass an auscultation examination. Dr. Gordon has offered to do this exam on site, subject to interest. It will be necessary for a minimum of 20 dogs to pre-register for this clinic in order for her to offer her time and equipment. Should we not meet the minimum requirement of 20 dogs, the echocardiogram clinic on Sunday will not be held. (This will in no way affect the heart auscultation clinic.)
