IN MEMORIAM

Stacy Blair, a long time member of DFWMGRC, passed away in October. Blind since birth, he was an accomplished soloist with his trumpet and traveled around the world giving concerts. His first guide dog, Guthrie, was a well loved Golden retriever who was a hit at all our meetings. After Guthrie retired, Stacy had Kellogg, a Lab, who was also welcomed at our meetings. He had a sense of humor which showed up when he volunteered to shoot the live fliers at our hunt test. He shall be missed.
